

# U10 GIRLS 2011-2012 SOCCER TRYOUTS

Hello I'm Brendan McCarthy head coach of the IYSA 01-02 Force. As a lifelong resident of Brevard County I grew up playing on the same fields that I now get the opportunity to coach on. I am a graduate of Melbourne High School, BCC and Florida State University. I am a Financial Advisor with UBS Financial Services and have been married to my wife Mary for 10 years. We have three children; Julia, Mick and Catherine.

As head coach of a competitive soccer team I have many responsibilities but only 2 goals.

1. To provide a positive environment with an emphasis on competition, confidence, character and fun.
2. To provide the best possible soccer training for our team.

## BRENDAN MCCARTHY

We are very fortunate to have Maegen Pearce on board as our dedicated trainer for the upcoming season. Maegen won back to back state championships while at Satellite High school and also won a state championship while playing club soccer at IYSA for Coach Fidgi Haig. She received a full athletic scholarship and played for 4 years at the University of North Florida. Maegen recently returned home after obtaining her Masters degree and is really looking forward to working with our team. I have no doubt that Maegen's energy, youth and incredible skill will do so much for our young girls. It is my belief that not only will she make our girls better soccer players, but that she will be a role model for them as well!

On behalf of trainer Maegen Pearce and assistant coach Doug Register, I hope that you will consider our team. Please do not hesitate to call should you have any questions at all!

Thanks,

*Coach Brendan*  
321-720-3893
